Policy and Procedures Manual

Approved November 2025

INTRODUCTION

The Buckeye State Button Society Bylaws state that a Policy and Procedures Manual be created and maintained to contain a current and complete listing of the duties/responsibilities of each committee.

The content of these policies is approved by the Board of Directors in office at the time of the dated approval.

As documents are added or revised, the Table of Contents will be updated with proper approval dates and policy names.

The stakeholders listed in this manual will conduct an annual review of their section and recommend changes in writing to the BSBS Secretary before October 1st each year. The Secretary will compile all changes and forward them to the Officers for review and clarification. The President will then present these recommended changes to the BOD before November 1st for consideration.
