1. Due to the recent reduction in available judges, we ask that each club (Local club recognized by and affiliated with BSBS) limit their number of submitted awards to two. The submission limit for individuals (member of BSBS) will remain one per person (except Junior awards). For the award(s) below fill in the amount for Regular and Novice if you want to sponsor both for your award. If you want Regular and Novice to be judged together fill in the amount for Regular only. For Junior awards fill in the Junior amount only.
2. Use the blank area in lower box to describe in your own words what you want in this award. Be sure to include your "focus" 3points, your secondary focus (2points) and limits or no limits on things like OME, DF, Realistics and Studio. If you want the standard blue book "twenty percent guideline" BB p. 7, then there is no need to add this verbiage because it is assumed. Other things you want the judges to consider can be noted on the bottom of your award form. This will help the committee better understand your intentions.
